

you like art's. I could not
make out the man's name you
went fishing with. but I know
you had a good time I wish I
could have been there to have
went fishing with my
sweet heart.

I am very sorry you have a
jealous friend. but it is better
there than here.

Well I told you I was going to
leave here but can't tell now. I
have work in view if I get well
not leave just now. but do not
think I will not come for I am
sure coming if I do not get sick
nor nothing happens to upset me
